PAWS / Summit for the Elephants 2012
Hosted at the Oakland Zoo
March 28-31, 2012

Education Center, Oakland Zoo
From Pat Derby, Ed Stewart, and everyone at PAWS.

We would like to extend our sincere appreciation to each of our esteemed speakers for the efforts they made to be a part of our conference and for their committed work to protect captive and wild elephants here, and around the world!

We would also like to send our sincere thanks to

**Dr. Joel Parrott and his wonderful staff at The Oakland Zoo!**

Your efforts while hosting the 2012 Summit for the Elephants went above and beyond, and resulted in a wonderful and positive experience for all of our guests.

And it’s impossible to offer up enough words of gratitude to

**Colleen Kinzley and Margaret Whittaker.**

Your leadership and vision in assisting and coordinating the panels and presenters for this year’s Summit was invaluable.

We are deeply grateful for the Summit for the Elephants volunteer team from PAWS:

- **Mi Bozo**
- **Marci and Chris Christensen**
- **Margie and Jenny Daniel**
- **Linda Dodge**
- **Mimi Durand**
- **Frankie Feldman**
- **Gemma Gylling**
- **Donna Wilhelm**

Your hard work, cheerful attitudes, and loving efforts helped create a pleasant experience for all.

> Thank you for your tireless energy.
> Thank you for your generous spirit.
> Thank you for the unselfish love you give to PAWS.

**And finally, the food...**

**WOW!**

Delicious veggie and vegan lunches and snacks were lovingly prepared and presented by renowned vegan chef **Tanya Petrovna of Native Foods** fame.

Thank you to caterer **Starla Krause**, and bakers **Sharon Niel and Jannelle Kessler.**

*Turn the page for a few photo highlights of the 4-day event.*

*Thank you to photographers Lisa Jeffries and Georja Umano*
Qualities of Most elephant Owners and Mahouts

Greedy – needs high ROI
Pressure created forces mahouts to be
Impatient
Alcoholics
Angry
Frustrated
Untrained
Unschooled

Experienced in handling of the elephant in their care

Anterior Uveitis

- Solid precipitate obstructing vision
- Soreness and inflammation
- Anti-bacterial, anti-inflammatory and pain relieving medications applied topically
